Maltese eTwinning Projects

**Interesting Places around Me** is the name of the eTwinning project between San Gorg Preca College, Paola Primary B and Raimundo de Miguel School in Spain. The pupils exchange information about the village and region they live in.

**With vegetables and fruit we grow healthy and cute** is the name of an eTwinning project between St. Theresa College, St. Venera Primary and Szkola Podsatawowa Nr 5 in Radlin Poland. Children from both schools are sharing healthy recipes so as to promote healthy eating.

**The Environment and How it Effects People’s Lives**

Ms. Melahrini Papardeli is an English teacher from Greece. She has just started the project “The Environment and How it Effects People’s Lives” and would like to add a Maltese partner to her project.

eTwinning’s 5th Birthday Competitions

eTwinning will be 5 years old on the 5th of May, 2010! To celebrate this special event, the eTwinning National Support Service has launched two competitions: A Birthday Card Competition for Students and a Video Competition for Teachers. Students and teachers from the primary and secondary schools are invited to apply. Other birthday activities include an Eco-Friendly Balloon Release, the baking of an eTwinning Birthday Cake and recording an eTwinning Birthday Song. Read More...

New this year: Resources Award

This year, the eTwinning National Conference and Awards will be held in May, in collaboration with EMBED 2010. During this whole week there will be an exhibition of all the eTwinning projects and other ICT related projects created by teachers and students from all over Malta and Gozo. This year, apart from the Best Project Award, we have also introduced the Best Project Resource Award for both the Primary and Secondary Schools. Read More...

Teachers’ Workshops @ Conference

The eTwinning National Conference will be held in conjunction with EMBED 2010 at the Excelsior Hotel, Floriana, from the 19th—25th May 2010. A variety of activities organised by eTwinning will take place, including a number of workshops for teachers in the evening. The workshops are aimed at both registered members and teachers, across all Primary and Secondary schools, who would like to know more about eTwinning and collaboration through the use of ICT.
