Maltese eTwinning Projects

Let’s Make the Best Out of Nature!!: The aim of this project was to make the students aware of the beauty of nature around them, by focusing mainly on locally growing flowers.

Caustic: The name “Caustic” refers to an eTwinning project where students from 3 different countries shared their experiments. The students who took part in this project were Biology and Science students from Malta; Science students from Romania; and Chemistry and Science students from Taranto, Italy.

Animation for Education

The Seminar Animation for Education will explore 3 animation tools: Voki, Toondoo and GoAnimate. The first seminar on the 7th of December was fully booked within a few days, however the seminar will be repeated on the 14th of December for those who wish to attend.

eTwinning Back to School Competition: The Winners!

The winners of the Video Cameras for eTwinning Back to School Campaign Competition are:

Primary Schools: Maria Regina College, Gharghur Primary C (Ms. Claudia Magrin, with the Project “This is the City where I Live”).

Secondary Schools: Gozo College, Victoria Girls’ Secondary (Mario Xerri, with the Project “My Number 1”).

eTwinning Back to School Campaign Seminars

The eTwinning National Support Service has organised three seminars for the Back to School Campaign during the month of November. These seminars have targeted teachers of different levels and across all teaching grades. The first two seminars, eTwinning Desktop and eTwinning TwinSpace Seminars were practical, hands on seminars for teachers. The last seminar, eTwinning for Senior Management Teams in Schools, was aimed at Heads, Assistant Heads, College Principals and EOs.

eTwinning Seminar for Gozitan Teachers

The eTwinning National Support Service is organising an eTwinning Awareness Seminar in Gozo aimed at all teaching staff residing in Gozo. Teachers, Kindergarten Assistants, Learning Support Assistants and members of the Senior Management Teams in schools are invited to attend. The seminar will be held on Friday 20th January 2012 at the Gozo College, Victoria Girls’ Secondary ICT labs, from 15:00 – 17:00. Attendance at this seminar is by registration, on a first-come, first-served basis.
