Malta eTwinning eZine

Maltese eTwinning Projects

**Bonding with Nature**: This Project focuses on the beauty of nature and how everything in nature bounds together in perfect harmony. Bonding with Nature is the result of a collaboration between St. Margaret College, Zabbar Primary School and 7 other partner schools from all over Europe.

**A Train Load of Celebrations**: Four European Schools hopped on a magical train, full of the festivities celebrated in the different countries throughout the seasons. St. Clare College, Gzira Primary School took part in this project.

**eTwinning National Awards 2012**

The eTwinning NSS is at the moment reviewing all National Quality Labels submitted in 2012. After all the NQLs are evaluated, the best 3 projects in the primary schools and the best 3 projects in the secondary schools will be announced during the eTwinning National Conference and Awards.

**eTwinning Contact Seminar in Malta**

On the weekend of the 9th, 10th and 11th of March 2012, the eTwinning National Support Service of Malta organised a Contact Seminar in Valletta for teachers from Cyprus, Denmark, Malta, Norway and the UK. The aim of this seminar was the fostering of teacher teams in eTwinning. Registrations started at 3pm whereby all the teachers were able to meet and start getting to know each other. This was followed by ice-breaking activities and the official opening ceremony. On Saturday and on Sunday, participants attended various workshops at the eLearning Centre. [Read more...](#)

**eTwinning Seminar for SMT**

The eTwinning National Support Service has organised a seminar for members of the Senior Management Teams in School. This seminar was attended by 14 Heads/Assistant Heads of School. The eTwinning Coordinator and the eTwinning Ambassadors explained about the eTwinning Action for schools, including personalised school visits for teachers who require additional assistance. The eTwinning Ambassadors gave examples of eTwinning Projects in action, and how they are being implemented in schools. This was the second seminar for SMT organised during 2011-2012.
