Subject: eTwinning Contact Seminar - Spain

The eTwinning National Support Service of Spain will be organizing an eTwinning Contact Seminar in Madrid, Spain. The aim of this seminar is to foster the creation of pedagogically sound projects using Spanish as the language of communication amongst teachers and pupils.

The Maltese National Support Service is sponsoring one teacher of Spanish language to attend this contact seminar, which will take place from the 25th-27th of October 2012. The selected candidate must be **fluent in Spanish** since this will be the working language used during the Seminar. He/She must also be familiar with the eTwinning Desktop and TwinSpace environments, since some online activities on the eTwinning tools will have to be carried out prior to the Contact Seminar itself.

The selected candidate must be in charge of classrooms from Form 1 upwards and be teaching Spanish during the scholastic year 2012-2013. He/She must also show willingness to start a new eTwinning Collaborative Project during the same scholastic year together with his/her pupils.

Proof of project work done during previous school years will be considered an asset since sharing of project ideas during Contact Seminars is often requested. A recommendation by the Head of School or College Principal will aid in the selection process.

Teachers of Spanish interested in attending this seminar are to fill in the attached application form and send it by email at etwinningmalta@gmail.com by not later than **noon of Wednesday 20th June 2012**.

For further details, teachers are kindly requested to contact Ms. Amanda Debattista at the eTwinning National Support Service on 2598 2150 or 7900 2150.

Thank you for your attention.
