Maltese eTwinning Projects

**Historical and Cultural Values of Selected Regions in the South of Poland and Malta**: An interesting project from St. Michael School (Secondary), focusing on various cultural and historical aspect. This project is also a registered Comenius Partnership.

**Snapshot of Europe**: is an eTwinning (Hamrun Primary GP) project with thirty-seven schools across Europe participating in it. It involves the use of photography by primary school children who are encouraged to take photos of their country using mobile phones and/or digital cameras.

Join our Facebook Page!

In September 2012, the eTwinning National Support Service launched its own Facebook Page: [http://facebook.com/etwinningmalta](http://facebook.com/etwinningmalta). To learn about the latest updates, initiatives and competitions, visit our Facebook and hit LIKE!!

eTwinning Back to School Project Winners

The eTwinning Back to School Campaign ran from the 1st of September till the 30th of November 2012. A total of 46 projects have been registered/joined by Maltese teachers. All teachers in projects received an eTwinning mug & those teachers who registered rather than just joined projects by the 15th of October have also received an eTwinning pen drive. At the end of November there was a lottery and two schools also received a digital video camera for the use of the whole staff. Find out more [here](http://).

New Registrations and Register a Friend Winners

As part of the eTwinning Back to School Campaign, the eTwinning National Support Service has offered incentives both for newly registered teachers and also for eTwinners who help their friends register to the action—the [Register a Friend Competition](http://). This initiative has resulted in 49 new teacher registrations between the 1st of October and the 30th of November.

Read more about the results of this competition [here](http://).

eTwinning Training for 2013

In January/February 2013, the eTwinning National Support Service will offer training for teachers who are beginners in eTwinning & for eTwinners who wish to learn that little bit more and understand the workings of the TwinSpace. A Desktop/TwinSpace Seminar will be held on Saturday 2nd of February. Furthermore, we are planning an eTwinning CONTACT SEMINAR and teachers from France, Spain, Poland, Slovenia, Slovakia and Greece will be visiting Malta on the first weekend of March (1-2-3). Visit our National Blog for more updated information about training: [http://etwinning.skola.edu.mt](http://etwinning.skola.edu.mt).
